Fun in the sun is being taken to a new level. Let your team experience Ushaka like they never have before by taking on the water challenges and tasks such as: Ice Breakers, Aquarium exploration, Shark cage Diving, Snorkeling, Ocean walker, Group dynamics, Problem solving and much more

The Group will be split into Teams and given their various team shirts (optional R65pp) before the Challenge begins. Teams need to work together to accomplish the tasks and in order to achieve the next clue or destination. The Tasks will be set up inside Ushaka and our instructors will meet the group at various points with clues and riddles along route. There are also Seal Shows and Penguins to view as well as a dolphin show to keep the group entertained.

We can provide snack packs and drinks as well as arrange meals, team clothing and prizes for the day if necessary. It can be as competitive and physical as you like or as casual as your needs, and is adaptable to any age group, ability, sex or fitness level. It can occur over 1-8 hours depending how much time you have available and can be split before and after lunch or over two or more days.
